

HOBBY IDEAS

DEVELOPED BY: TAN-TA-DAN DESIGN

FEBRUARY, 2017

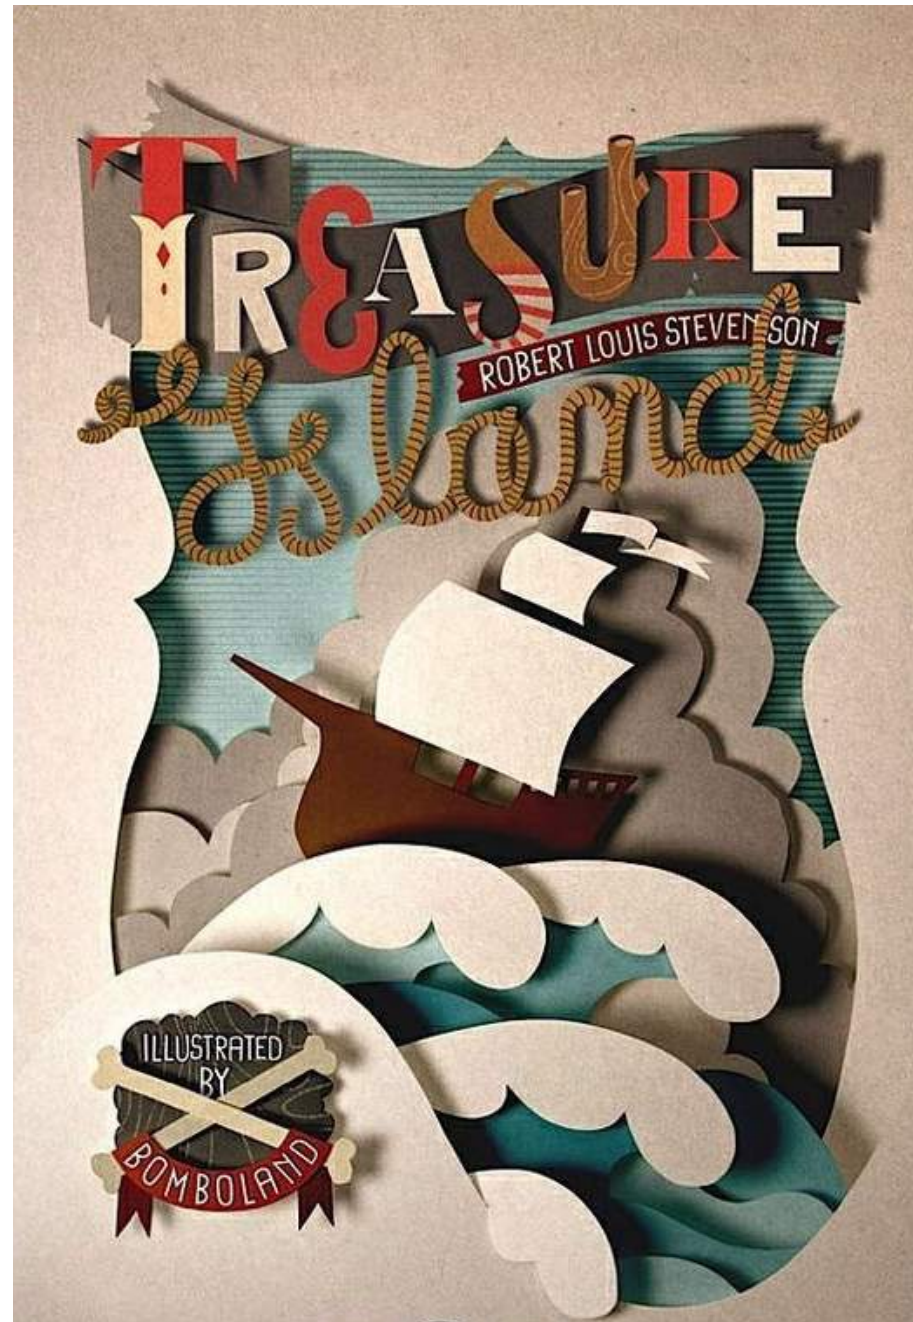

The flow of the current website is user- friendly and merely functional but needs a facelift for creative professionals as well as the non creative individuals, the hobbyists, art enthusiast etc. The creative aspect can be shown through various art themes which can bring to ones attraction to view the whole website and get creatively involved with **HOBBYIDEAS**.

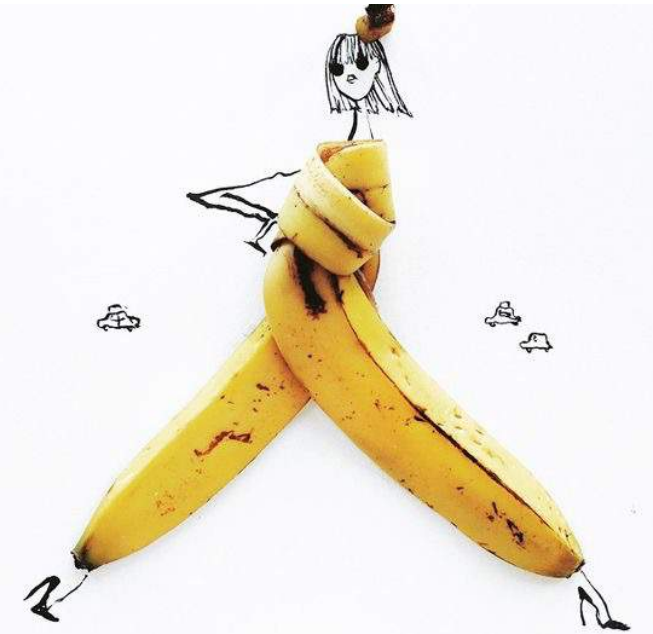

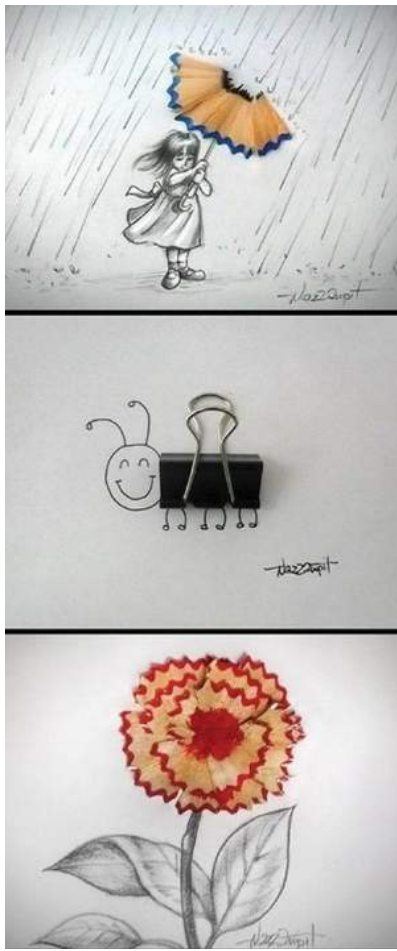

Mood and tone of the visual imagery of the website.

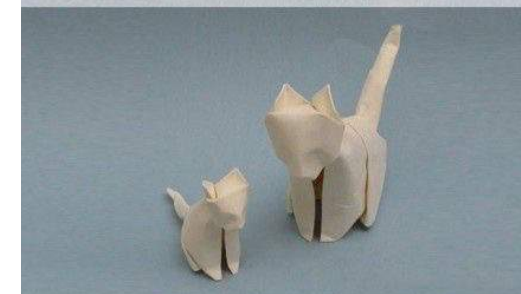

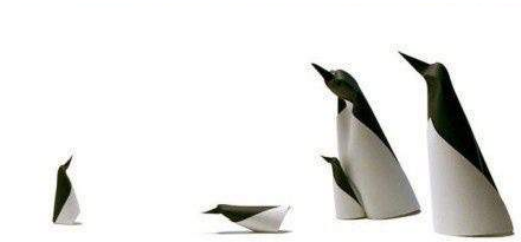

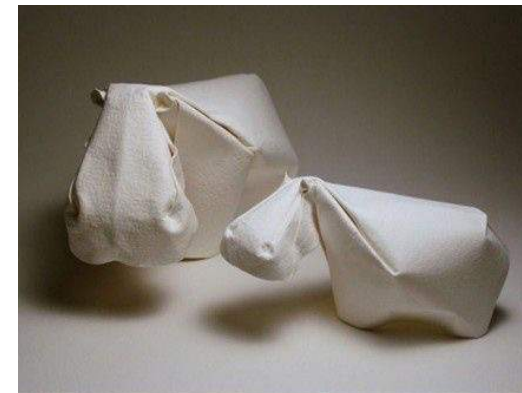

Art and Craft

gives an opportunity to the creative individual to enter into a world of their own imagination; a world where they forget their worries; in a world where they are one with their imagination and dreams.

Experience the world of
CREATIVITY

ORIGAMI

Creative photography where the object becomes larger than life to generate that level of interest.

ART — N — MAGIC

Creatives get the opportunity to create beauty in their lives.

It's still MAGIC even if you know how it's done.

A masterpiece where the person itself is in it and is creating the magical world in and around.

Story that engages the audience

PAPER CRAFT & QUILLING

Crafting ones heart out makes room for ones creativity to grow. An individual can bring out the creativity through craft and have a different perspective to their own creation.

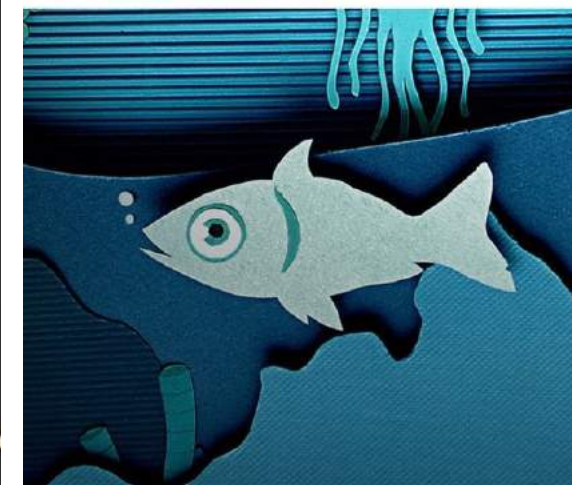

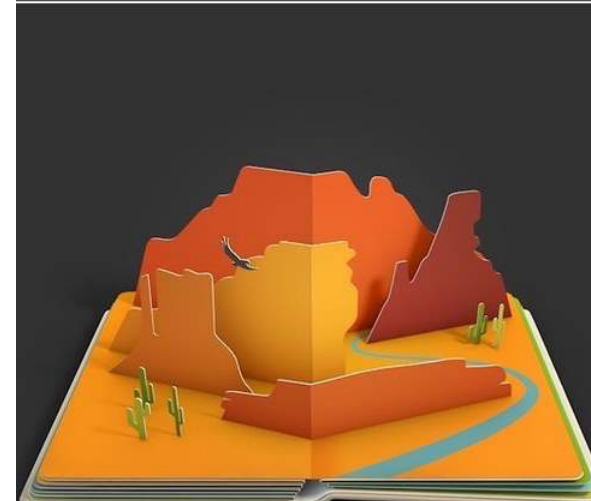

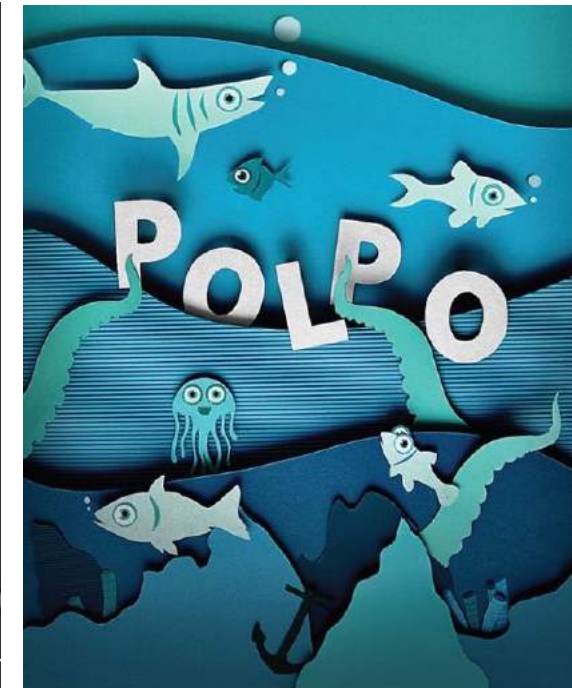

CRAFT

—THE POWER TO CONNECT—

PAPER CRAFT & QUILLING

Creating art in and around; the landscape which gives you the feel of keeping the audience engaged in.

COLOR AND PAINTS

TISSUE TRANSFER ART

“ THE WORLD IS BUT A CANVAS TO THE IMAGINATION.”

Add colors to the world of kids

Every artist dips his brush in his own soul, and paints his own nature into his pictures.
